FRANKLIN A. LINDSAY PRESIDENT

RECEIVED MAY 22 1967

19 May 1967

Dear Senator Cooper:

Howard Sprague has told me of his talk with you yesterday concerning our analysis of the Nix film of President Kennedy's assassination. I am enclosing a copy of our technical report together with the text of the United Press International story.

I am glad that Itek could make a small contribution to further clarification of some of the events surrounding the tragedy.

Sincerely,

Fred A. Lindsay

Senator John Sherman Cooper
